PRESBYTERIAN CHURCH (USA)

Coolspring Presbyterian Church

Founded 1726

Brick Order Deadline
November 17, 2024

Coolspring Presbyterian Church will celebrate 298 years in October 2024. We would like to utilize our front walkway as a memorial path to honor family members and friends that have been important to you. As part of this project, the existing brick walkway will be removed, a correct gravel base installed, and the walkway will be reinstalled with the memorial bricks incorporated. The memorial bricks will be laid longways with the type facing inwards so we can view the names both going into the church and coming out of the church. Please join us in making our entranceway a memorable one.

☐ 4x8 Brick $125 (3 lines, 20 char. per line)
☐ Printed Donor Certificate $15
